Program objectives

- Create **tailored development regulations** to address building form, uses, and density that reflect community values
- Create **new Zoning Districts** to correspond with the new Land Use Designations (e.g., Mixed-Use and R&D Flex)
- Create concise and **understandable rules and regulations**

Program Timeline

PROGRAM LAUNCH

Kicked off Our Pasadena- Putting the Plan in Motion by hosting three citywide open houses to introduce the program and solicit broad input about community values and concerns.

Purpose

Educate the public about the program and opportunities for participation. Initial feedback provided a "temperature check" of the community.

START HERE!

WORKSHOPS #1

The objective for the first round of workshops is to refine the General Plan vision, goals, and policies as they apply to each unique Specific Plan Area. Discuss desired land uses, density ranges, and general urban form.

Purpose

Feedback will help in developing potential alternatives for each Specific Plan area.

WORKSHOPS #2

The objectives for the second round of workshops are to present land use and urban form alternatives in response to input received, as well as existing conditions analysis, and economic analysis.

Purpose

Feedback will inform the development of a draft Specific Plan document and crafting of Zoning Code changes for implementation.

WORKSHOPS #3

The objective for the third round of workshops is to present the draft Specific Plans, including draft goals/policies, densities, urban design guidelines, land uses, regulatory schemes, and potential implementation strategies.

Purpose

Comments received will assist in refining the draft document that will be presented to Design and Planning Commissions and City Council.

2021

ADOPTION PROCESS

City will present the Specific Plan document and proposed Zoning Code changes to the Design and Planning Commissions for their recommendations, and ultimately the City Council for final approval. Public hearings will be held at each step.

Purpose

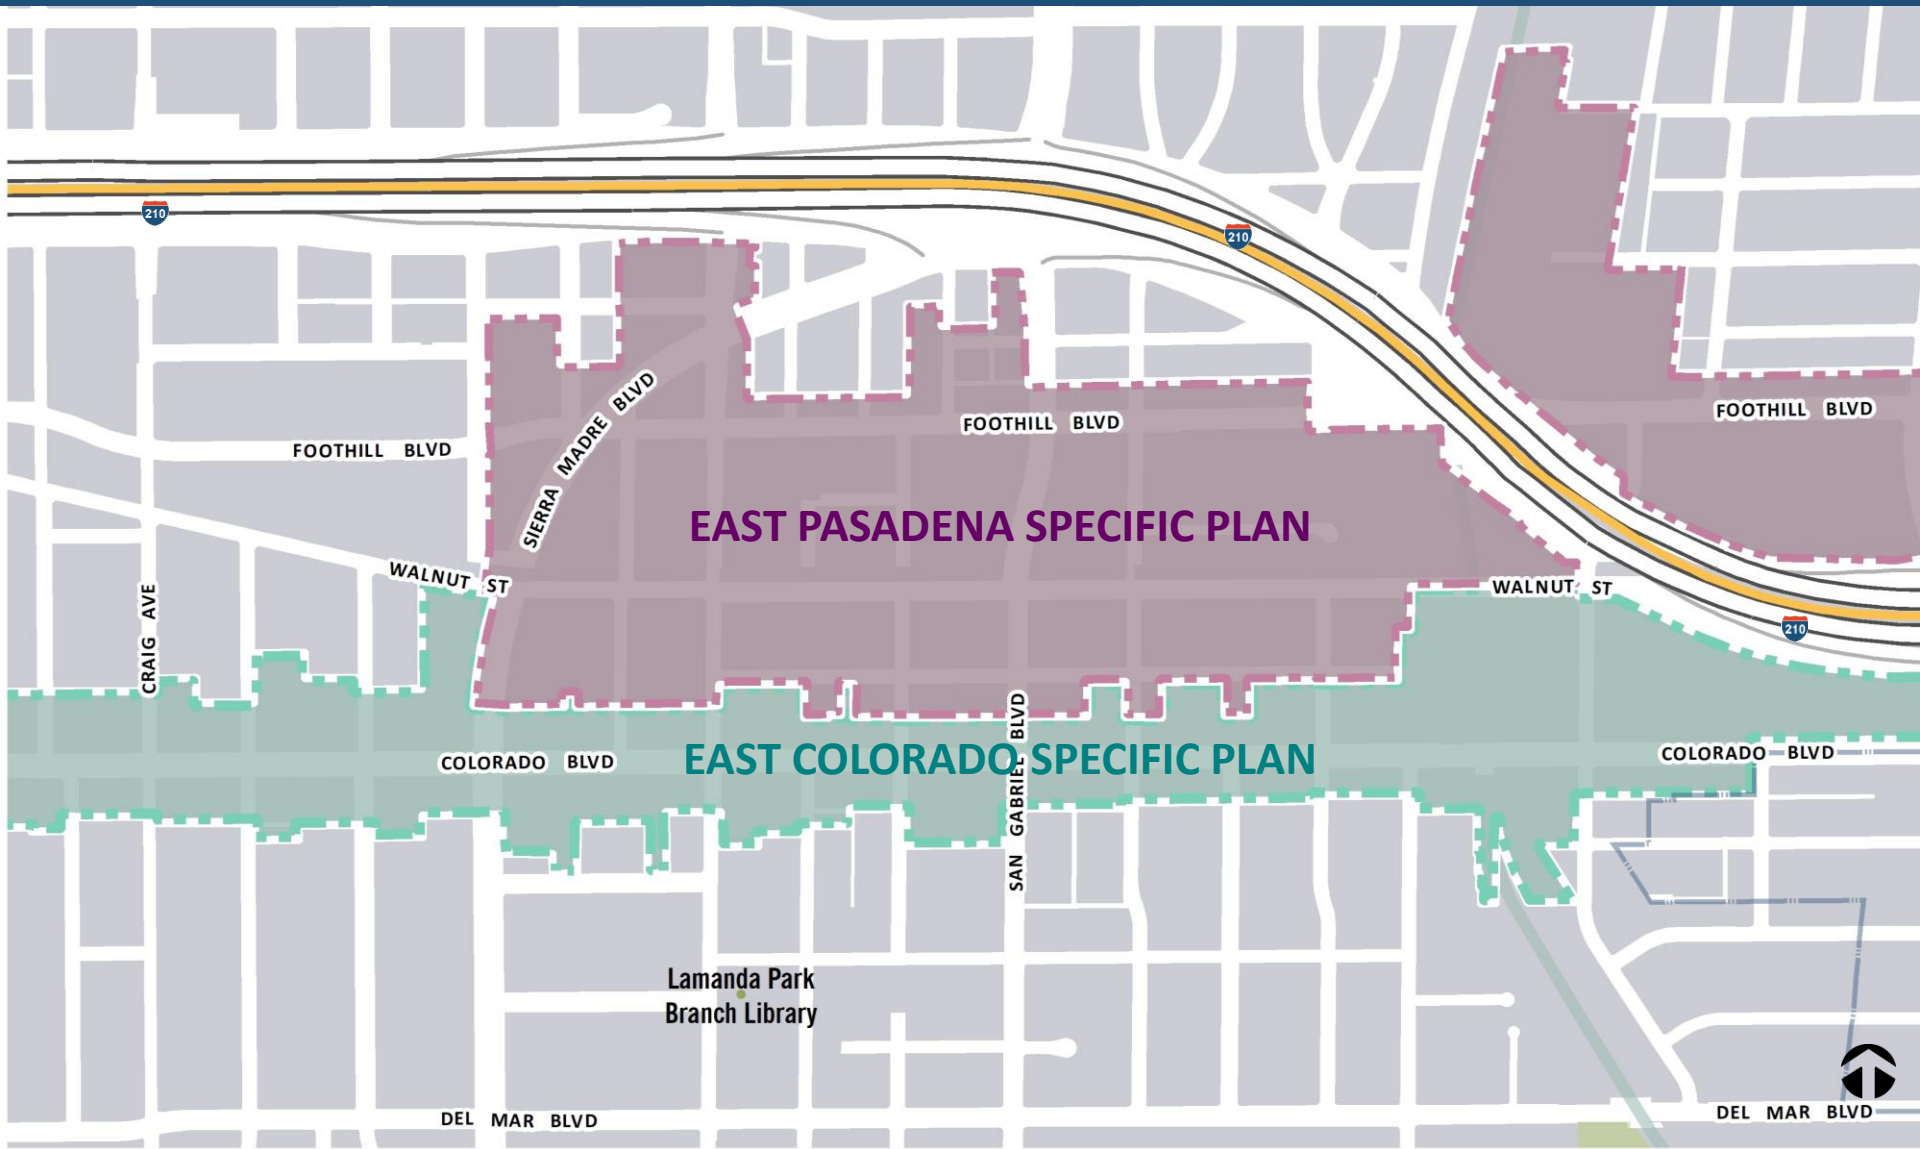

Adopt the Specific Plans and corresponding changes to the Zoning Code so that future development in the City reflects the community's values and is consistent with the General Plan.

PLANNING FOR TOMORROW

What is envisioned for this area?

General Vision for Lamanda Park

Incubate Employment Opportunities

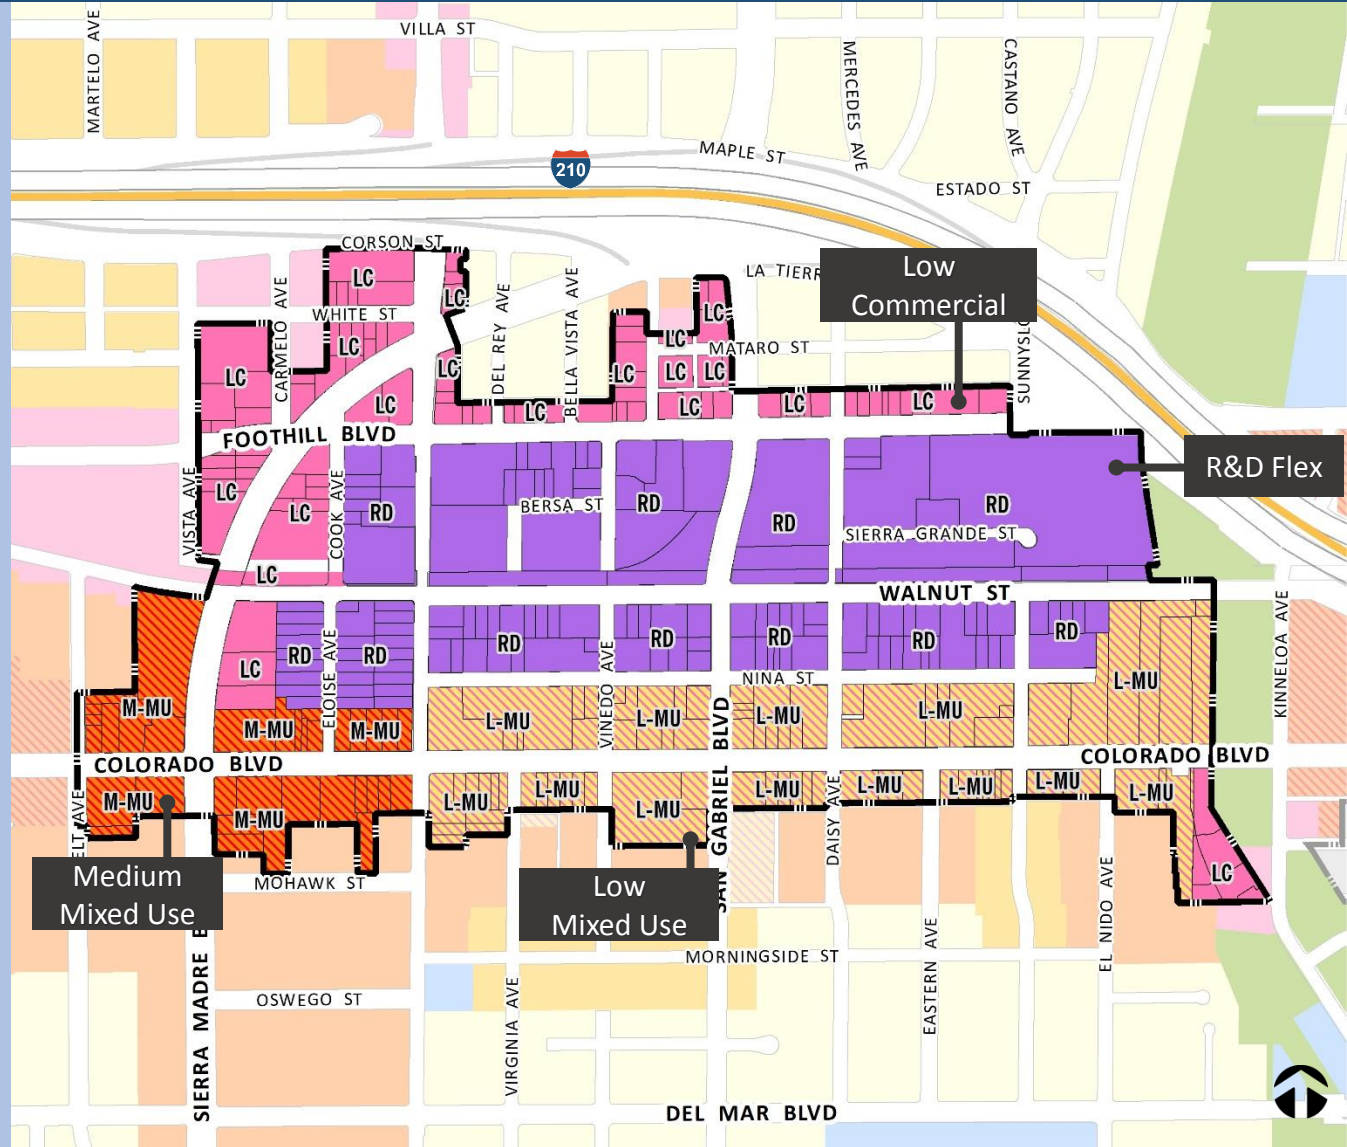

Preserve existing industrial land for incubation of light industrial, creative industries, and research and development type uses.

Mixed-Use Neighborhood

Support a mixed-use, pedestrian-friendly area centered around the intersection of Colorado Boulevard and Sierra Madre Boulevard.

Neighborhood Compatibility

Support infill development that is compatible with adjacent residential and commercial neighborhoods

Refining Lamanda Park's Vision

General Plan: *Housing*

Specific Plan: *"Mid-Rise"*

SMALL GROUP DISCUSSION

Let's talk about the details

Discussion Objectives

- Share thoughts, opinions, aspirations for the area
- Gather feedback about land uses, development, public space, and mobility
- Explore ideas for the neighborhood's future
- Listen and learn
